## Sea treatments

### Dead Sea salt scrub

44

Treatment designed to cleanse the skin and unclog the pores to promote better hydration and elasticity.

### Algae application

44

Thanks to the application of algae, the body obtains vitamins, antioxidants, antiviral properties and delays skin aging. Algae also achieve good results against cellulite and cell stimulation, managing to delay the appearance of wrinkles, purifying, and eliminating toxins, creating a perfect skin balance.

### Mud application

44

It has an important detoxifying action. With its application, we provide the skin with mineral salts, vitamins, and trace elements that it needs. Mud therapy has remineralizing, purifying, soothing and stimulating properties.

### Affusion shower

24

Application of multiple simultaneous jets that are applied from head to toe. The result of this treatment is smooth, soft, and hydrated skin, and an intense sensation of relaxation and well-being in body and mind.

### Affusion massage

44

Manual body or back massage, performed under the affusion shower jets.

## Body treatments

### **Aloevera aftersun 40min**

Refreshing and soothing Aloe Vera treatment, ideal after prolonged sun exposure and burns.

64

### **Anti-cellulite treatment 85min**

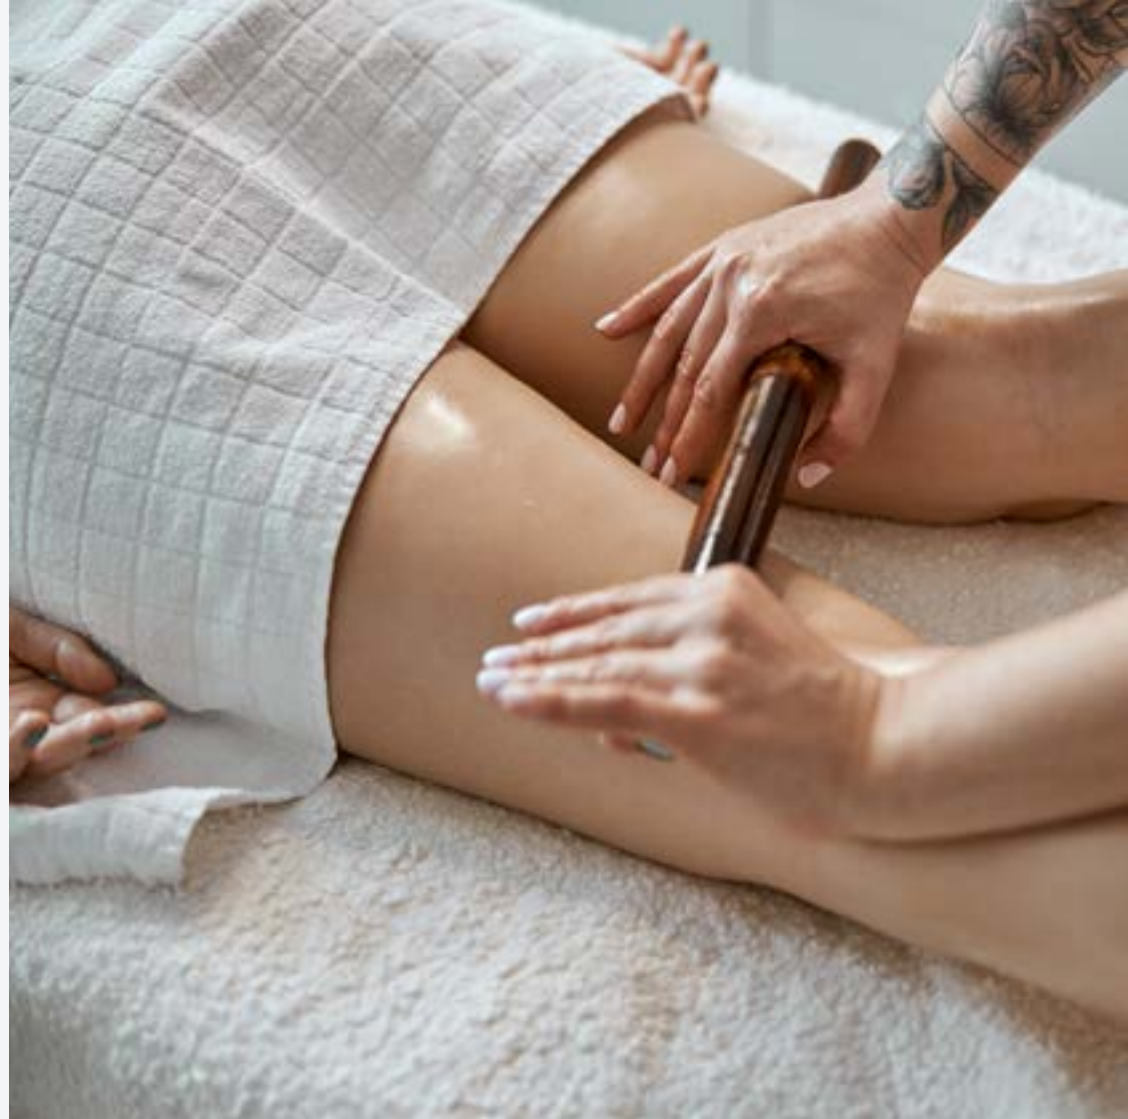

Intense exfoliation to activate the lymphatic system, break down fat, and open pores to facilitate effective penetration of our product. Application of wrap and anti-cellulite ampoule followed by firming cream.

139

### **Bamboo anti-cellulite massage 20min**

Massage with bamboo canes and anti-cellulite cream. Strong movements and maneuvers are used to break up fat stagnation and tissue adhesions.
